

You Are Invited to a
FREE TALK on
THE SCIENCE OF CHRISTIAN HEALING

To be given by
Marta Greenwood, C.S.B
A member of the Christian Science Board of Lectureship

On Saturday November 7, 2009 at 4 PM
at the South Lake Tahoe Christian Science Church

You'll discover:

- * That healing through prayer is practical and reliable
- * How you can put effective prayer into practice in your life, bringing security and healing through spiritual means

Marta Greenwood, a practitioner and teacher of Christian Science healing, is a former medical nurse whose personal experience of a life threatening illness led her to search for spiritual healing. Raised in Iran and educated in England, she is now a member of the Christian Science Board of Lectureship traveling internationally, giving seminars and workshops to the general public, medical facilities, and universities on the healing power of prayer.
